

Stainless Steel Vision Window & GS-92 Transaction Drawer^{UL}

Stainless Steel Vision Window & GS-92 Transaction Drawer

UL Rated Level I

GS-92 Transaction Drawer

- Easy care stainless steel interior counter cover.
- Stainless steel exterior with black accents provide an attractive appearance.
- Heavy-duty drive and suspension system assure substantial performance and reliability.
- Integrated premium communication system includes speaker, microphone and customer call button.
- Time tested, reinforced design combines vital security with exceptional access and “easy glide” teller operation.

Stainless Steel Vision Window

- Bullet-resistant glass meets or exceeds all Underwriters Laboratories, Inc. requirements.
- Stainless steel construction assures critical protection and a durable all weather finish.
- Classic angular window frame nicely accents any building architectural style.
- May be easily installed with a transaction drawer or positioned independently for customer observation.
- Choice of glass in clear or bronze tint.
- Slightly tilted to reduce glare.
- Window shades available as an option.
- Available in the following standard sizes:
 - 3' x 5' – 3' x 6' – 3' x 8'
 - 3' x 10' – 3' x 12' – 3' x 15'
